44 An employee whose pay range is established in Section 2(a) or 2(b) shall receive shift
45 differential for working a portion of an eligible shift, provided the portion of the shift not worked
46 is charged to paid leave. Shift differential shall only be paid for whole hours worked; a fraction
47 of an hour shall not be counted toward the payment of the differential.
48

1 (2) For those employees whose pay range is established in Section 2(c), the shift
2 differential premium shall be \$2.00 per hour for each hour worked between 11:00 p.m. and 7:00
3 a.m. during an eligible shift. Employees must work at least 12 hours of a regularly assigned 24
4 hour shift to be eligible for any shift differential for the shift. Such employees shall not receive
5 shift differential for overtime worked, which is not part of their regular schedule. This provision
6 will not go into effect until shift differential is agreed upon by the Director of Personnel and the
7 Union (Local 73) in writing.
8

9 Except shift differential premium shall be \$2.00 per hour for each hour worked between
10 11:00 p.m. and 7:00 a.m. during an eligible shift to be paid to Overtime Code 3 Fire Equipment
11 Dispatcher classifications whose pay range is established in Section 2(c).
12

13 (3) For Police Officer Trainees and employees whose pay grade is denoted with the
14 suffix D, the night shift differential shall be ten percent (10%) of the hourly rate for all full hours
15 worked between the hours of 11 p.m. and 7 a.m. and all eight (8) hour shifts beginning between
16 10:30 p.m. and 11:30 p.m.
17

18 (4) Except as otherwise provided in this ordinance, shift differential shall not be paid
19 to employees compensated on an hourly or per performance basis, or bi-weekly paid employees
20 who work part-time. Neither shall shift differential be paid to full-time regular employees
21 docked for any portion of an eligible shift.
22

23 **(g) WEEKEND DIFFERENTIAL:** When employees whose pay range is established in
24 Section 2(a) or 2(b) work on a Saturday and/or a Sunday they shall be eligible for weekend
25 differential. Employees whose pay grade is denoted with the suffix "M" are only eligible to
26 receive weekend differential when it is part of their regularly scheduled work hours. This
27 differential shall be one percent (1%) of an employee's base bi-weekly rate. An employee shall
28 receive weekend differential for working any portion of an eligible day. This differential shall
29 only be paid for full hours worked. Weekend differential shall not be paid to employees
30 compensated on an hourly or per performance basis or bi-weekly paid employees who work part-
31 time. Neither will the weekend differential be paid to full-time regular employees docked for
32 any portion of a day on which the differential would otherwise be paid.
33

34 **(h) COMMUTING ALLOWANCE:** Employees residing within the corporate limits of the
35 City of St. Louis who are regularly assigned to a position located in a City institution, agency, or
36 facility located outside the corporate limits of the City of St. Louis, and who are regularly
37 assigned to a five-day, forty-hour weekly work schedule, shall be entitled to a commuting
38 allowance in the amount of one hundred forty-one dollars (\$141.00) bi-weekly on the effective
39 date of this ordinance. Eligible full-time employees who are assigned to an alternate form of
40 work schedule which reduces the frequency of commuting to work shall be entitled to a
41 commuting allowance which is reduced in proportion to the reduced frequency of commuting.
42 City employees who are temporarily assigned duty to a facility located outside the corporate
43 limits of the City of St. Louis shall be entitled to a per diem rate for the duration of the
44 assignment. No employee living outside of the corporate limits of the City of St. Louis shall
45 receive a commuting allowance.
46

47 A period of absence of ten (10) working days or more shall result in suspension of
48 eligibility for the commuting allowance. Suspension of the commuting allowance shall begin

during the pay period in which the tenth (10th) day of absence occurs and shall continue for any subsequent full or partial pay periods during the period of absence. Upon return to duty from such absence, an employee again shall be eligible for commuting allowance upon completion of the first full pay period of service for which the allowance would normally be paid.

Employees for whom any form of free transportation (car, truck, bus, etc.) is provided by the City from a place within the corporate limits of the City of St. Louis to the work site and back shall not be entitled to the commuting allowance.

8 **(j)** The Director of Personnel may establish per performance rates of pay, hourly rates of
9 pay, or rates of pay for units of work and the conditions for making of any such payments. Such
10 per performance, hourly, or unit-of-work rates may be computed from the bi-weekly scales
11 established in this ordinance. Per performance, hourly, or unit-of-work rates shall be established
12 considering the nature of employment, community practices in compensating similar
13 employment, and the purpose of the program for which the rate is established. Employees paid
14 per performance, hourly, or unit-of-work rates of pay shall not be entitled to vacation, medical
15 leave or holiday leave with pay or other benefits accorded employees paid a bi-weekly rate
16 except that an appointing authority, with the prior approval of the Director of Personnel, and
17 when sufficient funds have been appropriated for the fiscal year, may establish a modified level
18 or type of benefit program when the provision of such benefit is needed in order to attract and
19 retain sufficiently qualified employees to work in specific per performance, hourly, or unit-of-
20 work assignments.
21

22 Appointing authorities are not permitted to utilize per performance and hourly employees
23 as a method of replacing bi-weekly rate employees who would be entitled to employee benefits.
24 Therefore, per performance and hourly employees will be limited to work an equivalent of ten
25 (10) months of full time employment (1,733 hours) per year.
26

27 **(k)** The Director of Personnel may establish trainee rates of pay. Such trainee rates may be
28 established on an hourly, per performance or bi-weekly basis and shall be less than the rate paid
29 to a regular employee.
30

31 **(l)** The Director of Personnel, with the assistance of appointing authorities concerned, may
32 establish rates and conditions under which compensation may be granted for periods of time
33 during which an employee is away from the job site but restricted in his/her activities because of
34 an assignment by the appointing authority to be available for a call to return to the work site to
35 perform emergency duties. Pay rates and conditions established under the provisions of this
36 Section 2(l) may include reasonable minimum pay guarantees for employees required to return to
37 the work site to perform emergency duties. The provisions of this Section 2(l) shall not be
38 construed to restrict the right of an appointing authority to establish call back procedures for
39 employees as an established condition of employment.
40

41 **(m)** The Director of Personnel may authorize payment of special recruitment bonuses, travel,
42 moving and related expenses to recruit employees for positions when funds for this purpose are
43 appropriated to the Department of Personnel.
44

45 **(n)** The Director of Personnel may approve the payment of hiring incentives to current
46 employees to recruit qualified personnel for positions that are difficult to fill. Hiring incentives
47 shall be in any amount up to twenty-five percent (25%) of the annual salary of the position for
48 which the recruitment is made.

1
2 (o) (1) An appointing authority, with the prior approval of the Director of Personnel, may
3 establish cash awards or other incentives for an employee or group of employees to recognize
4 and reward increased productivity or effectiveness. The incentives offered may include cash,
5 paid time off and such other reasonable incentives as the Director of Personnel may determine.
6 Cash awards shall be made from the personal services appropriation of the unit, the account from
7 which the employee's salary is paid or from a general appropriation for this purpose.
8

9 (2) The Director of Personnel, upon the request of the appropriate appointing
10 authority, may establish a program of cash awards or other incentives, not to exceed ten percent
11 (10%) of annual salary, paid as an addition to pay, for the purpose of providing additional
12 compensation for employees who are fluent in a foreign language and who use this skill in the
13 necessary and regular recurring performance of the duties of their position. Cash awards shall be
14 made from the personal services appropriation of the unit, the account from which the
15 employee's salary is paid or from a general appropriation for this purpose. Cash awards and
16 incentives under this program shall be made in accordance with guidelines established by the
17 Director of Personnel.
18

19 (3) Notwithstanding any other provision in this ordinance, the Director of Personnel
20 is authorized to extend the maximum of the pay ranges by up to forty percent (40%) for the
21 purpose of compensating positions which are extremely hard to fill.
22

23 (4) The Director of Personnel may provide an Employee Suggestion Program which
24 grants cash and other awards to recognize employee suggestions which improve City services,
25 operations or facilities. Cash awards to employees for suggestions resulting in tangible savings
26 to the City shall not exceed ten percent (10%) of the annual tangible net savings. Cash awards
27 and payments for other awards shall be made from an appropriation for a suggestion program or
28 other appropriate account. Additionally, cash awards for suggestions shall be granted as an
29 addition to pay, which does not change an employee's bi-weekly rate. The Employee Suggestion
30 Program shall be administered in accordance with regulations established by the Director of
31 Personnel. The Director of Personnel may establish an authority to evaluate suggestions and
32 determine awards; the decisions of this authority shall be final.
33

34 (p) An employee who is appointed to a position requiring advanced technical skills or
35 professional qualifications may be paid at a higher rate than prescribed for the class in Section 2
36 of this ordinance on recommendation of the appointing authority with the prior approval of the
37 Director of Personnel. Such advancement shall be made solely on the basis that the employee
38 possesses exceptional academic qualifications, registrations or certifications related to the duties
39 of the position and when such academic qualifications, registrations, or certifications are not
40 deemed necessary qualifications for the class of position.
41

42 The Director of Personnel may also establish other bonus, incentive or reimbursement
43 programs to encourage current employees to attain registration, licensure, certification, or proof
44 of professional mastery when it is deemed to be in the best interest of the Classified Service, or
45 when such credentials are clearly recognized as adding to the capability of individuals in that
46 area. Incentives, bonuses, or reimbursements awarded under such programs do not result in an
47 employee being ruled ineligible for bonuses or salary increases permitted under other sections of
48 this pay ordinance.

1
2 (q) An appointing authority may, with the prior approval of the Director of Personnel,
3 establish a program to reimburse, in whole or in part, expenses incurred by employees for the
4 purchase of uniform apparel required in the performance of the duties of their positions, when
5 funds have been budgeted therefore.
6

7 An appointing authority may exercise the option to furnish such uniform as may be
8 required in the employee's performance of his/her duties.
9

10 The Director of Personnel may establish regulations relating to employees' eligibility for
11 reimbursement for uniforms.
12

13 Further, when funds have been budgeted therefore, an appointing authority may authorize
14 reimbursement to uniformed security or correctional employees of up to fifty dollars (\$50) per
15 incident for damage to personal property sustained while the employee was directly engaged in
16 quelling a disturbance while performing assigned and/or authorized duties during a shift.
17 Employees whose pay is established under Section 2(d) of the ordinance may be reimbursed for
18 damages to personal property sustained while in the course and scope of employment in
19 accordance with Police Division policies.
20

21 (r) An appointing authority that requires employees to provide and maintain their own tools
22 shall provide a tool replacement program and/or annual maintenance allowance, with the prior
23 approval of the Director of Personnel.
24

25 (s) (1) Contingency assignment differential may be paid for certain assignments when
26 immediate position coverage is needed for any unexpected reason (*e.g.* death, forced leave,
27 emergency illness, etc.) in a higher pay grade, and shall be granted at the onset of the
28 assignment, not to extend more than one pay period. The Director of Personnel will determine
29 the assignments for which Contingency Assignment Differential will be paid. The assignment of
30 an employee to said assignment having a contingency assignment differential will be determined
31 by the appointing authority from an existing eligible list and will not constitute a promotion or
32 advancement in pay. In addition, the removal of an employee from said assignment shall not
33 constitute a demotion or reduction in pay. If an eligible list is not available, an appointing
34 authority may submit to the Director of Personnel the name of the employee being considered for
35 the assignment to determine if they meet the necessary minimum qualifications for the position
36 being considered.
37

38 For an employee whose pay range is established in Section 2(a), 2(b) or 2(c), with the
39 prior approval of the Director of Personnel, the contingency assignment differential will be ten
40 percent (10%) of the employee's regular base bi-weekly rate added as an addition to pay for each
41 bi-weekly period worked or one percent (1%) of the employee's regular base bi-weekly rate for
42 each shift assignment covered, not to exceed one (1) pay period.
43

44 (2) Temporary assignment differential will be paid for certain assignments when a
45 vacancy exists for any reason (*e.g.* separations, terminal vacation, leave of absence, military
46 leave, etc.) in a position with a higher pay grade, and shall be granted for at least one (1) pay
47 period but not more than thirteen (13) pay periods, and offset by any days that the employee by
48 reason of absence is not fulfilling the assignment. The Director of Personnel will determine the

1 assignments for which the temporary assignment differential will be paid. The assignment or
2 removal of an employee from said assignment having a temporary assignment differential will be
3 determined by the appointing authority and will not constitute a promotion, demotion,
4 advancement, or reduction in pay. The intended employee must meet the minimum
5 qualifications for the position to be assigned. The temporary assignment differential shall be
6 computed as an addition to pay and not affect the employee's regular bi-weekly rate.
7

8 For an employee whose pay range is established in Section 2(a), 2(b) or 2(c), with the
9 prior approval of the Director of Personnel, the temporary assignment differential will be ten
10 percent (10%) of the employee's regular base bi-weekly rate added as an addition to pay for each
11 bi-weekly period worked, not to exceed thirteen (13) pay periods. The Director of Personnel
12 may require the establishment of a department policy on temporary assignment differential pay
13 and must sign off on the policy prior to authorizing temporary assignment differential.
14

15 (t) City employees who are required by their appointing authority to routinely use their
16 personal vehicle in the performance of their duties shall be compensated by receiving a vehicle
17 maintenance and use allowance of two-hundred seventy dollars (\$270.00) per month.
18

19 **SECTION 3.**

20 **SUBSISTENCE AND MAINTENANCE CHARGES**

21

22 Except as otherwise provided in this ordinance, a deduction shall be made on the payroll
23 or a cash charge shall be collected for subsistence and maintenance provided to employees at a
24 rate to be determined by the employee's department or agency head and the Comptroller of the
25 City of St. Louis. The department or agency head shall establish reasonable charges or
26 deductions which have been calculated and assessed with due consideration for all identifiable
27 costs, including labor and overhead, but shall not exceed the actual cost of the items to the City.
28 When the Department of Personnel determines that the duties and responsibilities of a position
29 require an employee to occupy a room or apartment, there shall be no charge for such
30 accommodations.
31

32 **SECTION 4.**

33 **SALARY RANGE LIMITATIONS**

34

35 No employee in the Classified Service shall be paid at a rate lower than the minimum or
36 higher than the maximum of the salary range established for the class to which his/her position
37 has been allocated, except as otherwise provided in this ordinance.
38

39 **SECTION 5.**

40 **STARTING SALARY**

41

42 (a) The rate of pay for an excepted position to be paid upon original appointment to the class
43 shall be determined by the appointing authority for the excepted position.
44

45 (b) Except as otherwise provided in this ordinance, the minimum rate of pay for a position
46 shall be paid upon original appointment to the class unless the Director of Personnel finds that it
47 is difficult to secure the services of persons with minimum qualifications or experienced
48 qualified persons at the minimum rate.

1
2 The Director may establish a recruitment rate for a single position or all positions in a
3 class and authorize employment at an amount above the minimum but within the regular range of
4 salary established for the class. When a recruitment rate is established for an entire class,
5 employees already in such class may have their salaries adjusted to appropriate rates in the new
6 range resulting from the establishment of the recruitment rate.
7

8 (c) In Skilled Trades classes, defined as those that have bona fide apprenticeship programs
9 registered with the Department of Labor or documented attainment of equivalent apprenticeship
10 programs, new hires who have completed such apprenticeship programs and attained journeyman
11 status shall start at the special skills recruitment rate for the class if a special skills recruitment
12 rate exists for the class. New hires in classes in the Trades Pay Schedule who have completed
13 alternative training programs established and approved by the Director of Personnel, and attained
14 journeyman status shall also be eligible for a starting salary at the special skills recruitment rate
15 if such a rate exists for the class.
16

17 (d) Employees with permanent status who are eligible for reemployment as determined by
18 the rules of the Department of Personnel shall be reemployed at an appropriate rate within the
19 new salary range which takes into consideration the employee's prior service in the position, as
20 determined by the Director of Personnel.
21

22 **SECTION 6.**
23 **PROMOTION, DEMOTION, REALLOCATION,**
24 **TRANSFER AND TEMPORARY PROMOTION**
25

26 An employee who is transferred, promoted, demoted, or whose position is reallocated
27 after the effective date of this ordinance, shall have his/her rate of pay for the new position
28 determined as follows:
29

30 (a) Promotion: This shall be defined as a change of an employee in the Classified Service
31 from a position of one class to a position of another class with a higher pay grade or a higher
32 starting minimum salary.
33

34 (1) When an employee is promoted to a position in the General, Professional,
35 Management, or Trades Pay Schedule, the employee's current bi-weekly rate of pay shall be set
36 at a rate which is five percent (5%) higher than the rate received immediately prior to the
37 promotion or adjusted to the nearest step in the new pay matrix which is not less than but is
38 closest to a rate which is five percent (5%) higher than the rate received immediately prior to
39 promotion. An appointing authority, with the prior approval of the Director of Personnel, may
40 increase the pay of an employee up to twenty percent (20%), adjusted to the nearest step, when
41 such action is needed to attract experienced, qualified candidates for a position. Such salary
42 determinations shall take into consideration the nature and magnitude of the accretion of duties
43 and responsibilities resulting from the promotion. However, no employee shall be paid less than
44 the minimum rate nor more than the maximum rate for the new class of position, except as
45 otherwise provided in this ordinance.
46

47 (2) Temporary Promotion: When an employee, whose salary range is established in
48 Section 2(a) or 2(b), is certified and temporarily promoted to a vacant position, for a limited

1 duration, the employee's current salary shall be adjusted as provided in Paragraph (a)(1) of this
2 Section. Upon expiration of the temporary promotion, the employee shall be returned to his/her
3 former rate of pay, adjusted by any increases the employee would have received in the absence
4 of the temporary promotion. In no case shall the employee's salary be above the maximum of
5 the salary range, unless otherwise provided for in this ordinance.
6

7 Employees whose salary ranges are established in Section 2(c) or 2(d) of this ordinance,
8 upon receipt of a temporary promotion, shall be granted the new rank with a salary adjustment
9 based on appropriate years of service in accordance with procedures established for a regular
10 promotion. At the end of the temporary promotion, the employee shall be returned to the rank
11 held immediately prior to the temporary promotion. The employee's rate of pay shall be based
12 on the appropriate years of service.
13

14 **(b) Demotion:** This shall be defined as a change of an employee in the Classified Service
15 from a position of one class to a position of another class which has a lower pay grade and a
16 lower starting minimum salary.
17

18 (1) If an employee is demoted for disciplinary reasons in accordance with the rules of
19 the Department of Personnel and Civil Service Commission and established disciplinary
20 procedures, his/her rate of pay shall be established at a rate within the range for the new position
21 which is at least five percent (5%) lower than the rate received immediately prior to the demotion
22 or reduced to the nearest step which is at least five percent (5%) lower than the rate received
23 immediately prior to the demotion, except no employee shall be reduced below the minimum of
24 the range unless otherwise provided for in this ordinance. The amount of the reduction shall be
25 determined by the appointing authority, with the approval of the Director of Personnel.
26

27 (2) If an employee accepts a voluntary demotion, his/her current rate of pay shall be
28 reduced within the range for the new position which is five percent (5%) lower, to the closest
29 step, than the rate received immediately prior to demotion, except that employees who are in a
30 working test period and demote to their previous class of position or pay grade, will return to the
31 rate or step received immediately prior to the promotion, plus any adjustments as otherwise
32 provided in this ordinance. No employee shall be paid less than the minimum nor more than the
33 maximum rate for the new class of position, except as otherwise provided in this ordinance.
34

35 (3) When an employee is demoted for reasons in the best interest of the City Service
36 as determined by the Director of Personnel, his/her salary may be reduced by reason of the new
37 salary range and grade with the prior approval of the Director of Personnel. If the salary of such
38 employee is above the maximum for the new position, the employee's salary shall not be
39 increased so long as he/she remains in the position, except as otherwise provided by this
40 ordinance.
41

42 **(c) Reallocation:**
43

44 (1) If the employee's position is reallocated to a class in a lower pay grade and the
45 employee's rate of pay for the previous position is within the salary range of the new position,
46 his/her salary shall remain unchanged or adjusted to the closest step provided the employee's rate
47 of pay shall not be reduced.
48

1 (2) The salary of an employee whose position is allocated to a class in a higher pay
2 grade shall be determined in accordance with the provisions of this Section 6(a)(1) relating to
3 salary advancement on promotion.
4

5 **(d)** Transfer: The salary rate of an employee who transfers to a different position in the same
6 class, or from a position in one class to a position in another class in the same pay grade, shall
7 remain unchanged, provided that no employee shall be paid less than the minimum rate nor more
8 than the maximum rate for the new class of position, except as otherwise provided in this
9 ordinance.
10

11 **(e)** Over Maximum: The salary of an employee, which is in excess of the maximum of the
12 range prescribed by this ordinance for the class and grade to which his/her position has been
13 allocated or may be reallocated, shall not be reduced by reason of the new salary range and
14 grade. The salary of such employee shall not be increased so long as he/she remains in the class
15 of position, except as otherwise provided by this ordinance.
16

17 **SECTION 7.** 18 **SALARY ADJUSTMENT** 19

20 Salary adjustments for all employees in competitive positions shall be based on
21 considerations of merit, equity, or success in fulfilling predetermined goals and objectives as
22 herein provided.
23

24 **(a)** Competitive positions for which salary is established in Section 2(a) - General,
25 Professional, and Management Schedule; or Section 2(b) - Trades Schedule:
26

27 (1) Any employee whose salary is established in Section 2(a) or 2(b) – General,
28 Professional, Management, and Trades Pay Schedules, shall receive a service rating in
29 accordance with the Service Rating Manual. The rating together with the standards of
30 performance established in the rating manual shall determine eligibility for a one step within-
31 range (merit) increase at intervals as outlined in the Service Rating Manual or other pay
32 regulation(s) as determined by the Director of Personnel.
33

34 (2) Employees who are appointed to a position at the special skills recruitment rate in
35 their respective pay range in the Trades Pay Schedule as a result of the completion of a bona fide
36 apprenticeship program and attainment of journeyman status or alternative training program
37 established and approved by the Director of Personnel, shall be advanced to the advanced salary
38 step of their respective grade upon completion of the working test period with satisfactory
39 service as determined by the standards established in the Service Rating Manual.
40

41 (3) A non-exempt (Overtime Code 3 or 4) employee whose pay is established in
42 Section 2(a) or 2(b) of this ordinance who receives an Overall Rating of “Unsuccessful” as
43 defined by the Service Rating Manual, shall have his/her salary reduced as determined by the
44 standards established in the Service Rating Manual, but not less than the minimum of the pay
45 grade range.
46

47 **(b)** As used in this ordinance, "anniversary date" means the date following fifty-two (52)
48 weeks of continuous service from the date of original appointment or from the date of the last

1 salary adjustment, if other than a temporary reduction in pay for disciplinary reasons, a demotion
2 or an across-the-board ordinance increase, an increase resulting from an authorized incentive
3 program, reallocation or an upgrade of the classification concurrent with adoption of the
4 ordinance. Absence from service as a result of any authorized paid leave, suspensions, military
5 leave, or family/medical leave will not interrupt continuous service. Absence from service for
6 any other cause shall result in breaking continuity of service and establishment of a new
7 anniversary date, except as otherwise provided in this ordinance. The Director of Personnel may
8 authorize different anniversary dates for an employee or groups of employees.

9
10 (c) An appointing authority may evaluate the performance of an employee whose salary is
11 established in Section 2(a) or 2(b) of this ordinance for the purpose of a salary adjustment only at
12 intervals as described above except in the case of:

13
14 (1) Exceptional performance of duties:

15
16 With the prior approval of the Director of Personnel, the appointing authority in
17 accordance with the Service Rating Manual, may advance the salary of an employee who
18 demonstrates exceptional performance of duties after serving twenty-six (26) weeks of
19 employment at the same rate in the salary range by not more than ten percent (10%) or to the
20 closest step in the pay range which provides not more than a ten percent (10%) increase; this
21 may be in addition to any merit increase received.

22
23 (2) Substandard performance of duties:

24
25 An appointing authority may reduce the salary of an employee whose level of
26 performance is significantly diminished and no longer warrants payment at the current rate
27 within the range as provided in the Service Rating Manual; providing the employee's salary is
28 above the minimum of the range, established in Section 2(a) or 2(b) and allocated to Overtime
29 Code 3 or Overtime Code 4.

30
31 The granting of any such increase or decrease in salary shall be made at the beginning of
32 a payroll period, as determined by the Director of Personnel, following approval of such salary
33 action.

34
35 (d) Competitive positions for which salary is established in Section 2(c) - Fire Division

39 accordance with the Service Rating Manual.

40

2 in accordance with the Service Rating Manual.

8

9 (f) Excepted Positions: The pay of an employee in an excepted position shall be adjusted to
10 any rate within the pay range at the discretion of the appointing authority for the excepted
11 position.
12

13 (g) The Director of Personnel may approve, at the request of an appointing authority,

16 for long-term or meritorious service.
17

18 (h) The pay of any employee may be decreased as a disciplinary action by an appointing
19 authority to a lower rate. Any such decrease shall be made in accordance with the established
20 disciplinary procedures. The decrease shall not be greater than fifteen percent (15%) of the
21 current salary rate. The decrease may be below the minimum of the pay range for the class. The
22 appointing authority may determine the pay decrease shall be effective for a specific number of

32

33 **SECTION 8.**

34 **INCOME SOURCES**

35

36 Any salary paid to an employee in the Classified Service shall represent the total
37 remuneration for the employee, excepting reimbursements for official travel and other payments
38 specifically authorized by ordinance or pay regulation promulgated by the Director of Personnel.
39 No employee shall receive remuneration from the City in addition to the salary authorized in this
40 ordinance for services rendered by the employee in the discharge of the employee's ordinary
41 duties, of additional duties which may be imposed upon the employee, or of duties which the
42 employee may undertake or volunteer to perform.
43

44 Whenever an employee not on an approved paid leave works for a period less than the
45 regularly established number of hours a day, days a week or days bi-weekly, the amount paid
46 shall be proportionate to the hours in the employee's normal work week and the bi-weekly rate
47 for the employee's position. The payment of a separate salary for actual hours worked from two
48 (2) or more departments, divisions or other units of the City for duties performed for each of

1 such agencies is permissible if the total salary received from these agencies is not in excess of
2 the maximum rate of pay for the class.

3 4 **SECTION 9.** 5 **CONVERSION** 6

7 **(a)** Pay schedules in Sections 2(a) or 2(b) in Ordinance 69949 shall continue in effect until
8 the beginning of the first bi-weekly pay period starting after the effective date of this ordinance,
9 and the rates to be paid to employees in positions of any classes for which a rate is established or
10 changed in Section 2(a) or 2(b) of this ordinance shall become effective and be adjusted (if
11 necessary) as follows:
12

13 The salary of each employee whose pay range is established in Section 2(a) or 2(b) of this
14 ordinance whose class has been allocated to a higher pay grade in the appropriate pay schedule
15 as determined by the Director of Personnel shall have their current salary increased to a rate,
16 rounded to the nearest whole dollar, which is not less than but is closest to a rate which is five
17 percent (5%) higher than the rate received immediately prior to promotion, but not less than the
18 minimum of the pay range, whichever is the greater. If an employee's salary is between steps,
19 the employee's salary shall be placed at the higher step.
20

21 **(b)** No employee shall be reduced in salary by reason of the adoption of the new pay
22 schedules in this ordinance.
23

24 **(c)** The salary of an employee serving in a trainee position, which remains above the new
25 trainee rate for his/her position, shall remain unchanged.
26

27 **(d)** The Director of Personnel may establish a special conversion procedure for a class or
28 position in the event that the Director determines that a serious inequity would be created by the
29 application of the conversion procedures established in this Section 9.
30

31 **(e)** The Director of Personnel shall establish such procedures as needed to place this
32 ordinance into effect and interpret its provisions.
33

34 **SECTION 10.** 35 **PAYMENT OF SALARIES** 36

37 All compensation for positions in the Classified Service shall be paid bi-weekly. The
38 Director of Personnel and Comptroller shall establish the procedure for listing employees on the
39 various payrolls. The payment due each employee for service, except as otherwise provided,
40 shall be made not later than sixteen (16) days after the end of the bi-weekly pay period. In the
41 event that an employee is dismissed or has been employed for occasional or emergency work, the
42 Comptroller may immediately pay the employee upon termination of service without waiting for
43 the regular bi-weekly pay date of the Department, Division, Section, Office, Agency, Board or
44 Commission where the employee worked.
45

46 **SECTION 11.** 47 **CHANGES TO CLASSIFICATION PLAN** 48

1 Whenever the Department of Personnel finds it necessary to add a new class to the
2 classification plan, the Director of Personnel shall allocate the class to an appropriate grade and
3 schedule in this ordinance, recommend such change to the Civil Service Commission, and notify
4 the Board of Aldermen of this action.

5
6 Whenever the Department of Personnel finds it necessary to change the overtime code of
7 an existing class within the classification plan, the Director of Personnel shall change the
8 overtime code, recommend such change to the Civil Service Commission, and notify the Board
9 of Aldermen of this action.

10
11 Whenever the Department of Personnel finds it necessary to change the pay schedule of
12 an existing class within the classification plan, the Director of Personnel shall allocate the class
13 to the appropriate schedule in this ordinance, recommend such change to the Civil Service
14 Commission, and notify the Board of Aldermen of this action.

15
16 The pay grade allocated to a class of position within the classification plan shall remain
17 unchanged for the duration of the existing compensation ordinance. Whenever the Department
18 of Personnel considers it necessary to change the pay grade of an established class of position,
19 such adjustment can only be made concurrent with the adoption of a new compensation
20 ordinance. Recommendation for the allocation of a new pay grade shall be made by the Director
21 of Personnel to the Civil Service Commission for final approval by the Board of Aldermen.

22 23 **SECTION 12.** 24 **PAYROLL FORMS**

25
26 The Director of Personnel shall prescribe forms on which appointing authorities shall
27 certify to the fact that a vacancy exists in a lawfully created position and to the lawful
28 appointment of a person to fill the position. The Director of Personnel shall indicate on these
29 forms the proper allocation of the position and the rate at which payment is to be made. When
30 approved by the Director of Personnel and submitted to the Comptroller, these forms shall
31 constitute authorization for the initial placing of a person's name on the payroll. The
32 Comptroller shall not authorize any change in the rate of pay of an individual on the payroll
33 unless approved by the Department of Personnel. The Comptroller shall provide the Department
34 of Personnel with a copy of each payroll audited and found correct within twenty-one (21) days
35 after audit and approval of the payroll by the Comptroller's Office.

36 37 **SECTION 13.** 38 **CERTIFICATION OF PAYROLL**

39
40 The appointing authority shall certify on each payroll or a subsidiary document that each
41 person whose name appears on the payroll has been lawfully appointed at a salary provided by
42 this ordinance and that the employee has actually worked the time for which he/she will be paid,
43 subject to the provisions of this ordinance governing hours of work and leaves of absence in the
44 Classified Service.

SECTION 14.
MINIMUM WORK HOURS

Each appointing authority shall establish procedures to assure that the employees under his/her supervision are actively engaged in the performance of the duties of their positions in accordance with the provisions of this section.

Each appointing authority shall submit to the Department of Personnel the work schedule established for each position in the work unit. Work schedule reports shall be submitted upon request of the Director of Personnel or whenever the appointing authority proposes to change the permanent work schedule of a position. The work schedule submitted by the appointing authority shall constitute the normal work schedule for the position when approved by the Director of Personnel.

All employees in the Classified Service shall be in attendance at their work in accordance with schedules established under the provisions of this Section 14, subject to other provisions of this ordinance with respect to hours, holidays, vacation, medical leave, furloughs, sick leave, military leave, and leaves of absence with or without pay.

(a) Employees whose salaries are established in Section 2(a) or 2(b): Forty (40) hours shall constitute the average minimum required weekly hours of service in an employment cycle under regular full-time employment for all City employees paid on a bi-weekly basis occupying competitive positions in the Classified Service. The minimum daily and annual service required of such employees shall be in proportion to the average minimum weekly hours established.

Appointing authorities shall so arrange the time for reporting for work, for luncheon intermission, and for quitting work of the various employees under their jurisdiction so that the employees will actually be engaged in active performance of their duties for not less than the average minimum number of hours required.

(b) Management and Professional Employees: Appointing authorities for employees occupying full-time positions whose salaries are established in Section 2(a) of this ordinance shall initiate procedures to see that such employees are engaged in the performance of their duties on a full-time basis. Full-time employment for any employee whose classification is denoted in the Management Schedule or Professional Schedule shall be defined as an average of forty (40) hours per week of time devoted to the duties of the position on an annual basis.

(c) Uniformed Fire Personnel: Fifty-two (52) hours shall constitute the average required weekly hours of service in an employment cycle under regular full-time employment for all employees in the Division of Fire and Fire Prevention, except that the appointing authority, with the approval of the Director of Personnel, may determine that the minimum work hours provision of Section 14(a) shall apply to employees in certain positions due to the nature of the assignment and/or scheduling requirements. The appointing authority shall so arrange the time for reporting for work and for quitting work of the various employees under the appointing authority's jurisdiction so that the employees will actually be engaged in the active performance of their duties for not less than the average number of hours required.

1 (d) The work period for employees whose pay is established in Section 2(d) of this ordinance
2 is twenty-eight (28) days. The daily work period for an employee in the position of Police
3 Probationary Officer and Police Officer is eight (8) hours which includes a thirty (30) minute
4 meal period. The meal period is counted as working time; however, an officer unable to take a
5 meal break will not receive additional compensation. The daily work period for an employee in
6 the position of Police Officer Trainee is eight (8) hours. Additionally, Police Officer Trainees
7 shall receive a thirty (30) minute unpaid meal period that shall not be counted as part of their
8 daily work period or work day.

10 SECTION 15. 11 OVERTIME

13 (a) The Department of Personnel shall determine those positions in the Classified Service of
14 the City of St. Louis which are exempt from overtime compensation and those positions which
15 are not exempt from overtime compensation. The overtime codes established for each class in
16 Section 1(a) of this ordinance shall be interpreted as follows:

18 OVERTIME CODE (OVTM):

- 20 1 These classes are primarily managerial in nature, but may also include
21 some professional or administrative classes that are ineligible for overtime
22 pay under all but emergency conditions as described in Section 15(d) of
23 this ordinance.
- 25 2 These are supervisory, professional, and administrative classes that are
26 exempt from overtime compensation, but which the City compensates for
27 overtime at the straight (1.0x) time rate.
- 29 3 These are non-exempt classes that receive overtime compensation at the
30 one and one-half (1.5x) time rate.
- 32 4 These non-exempt classes work an average bi-weekly work schedule of 84
33 hours and, therefore, receive overtime compensation at the one and one-
34 half (1.5x) time rate.

36 Appointing authorities are prohibited from changing employee work schedules to avoid
37 the payment of overtime.

39 For purposes of determining overtime pay rates for non-exempt employees, the regular
40 hourly rate of pay shall be used.

42 Any employee in a class which has been allocated to Overtime Code 4 (non-exempt) in
43 Section 1(a) of this ordinance shall be compensated for overtime by granting the employee pay
44 or compensatory time off at the one-and one half (1.5x) time rate. Each appointing authority
45 shall designate and submit to the Director of Personnel the official work week or work cycle for
46 all non-exempt (Code 4) positions in the work unit. Whenever a non-exempt (Code 4) employee
47 works in excess of forty (40) hours in a work week, the employee will be paid at the one and one
48 half time (1.5x) rate. The average number of scheduled hours in a bi-weekly pay period shall not

1 be less than eighty-four (84) for full-time employment. The regular hourly rate of pay for a non-
2 exempt (Code 4) bi-weekly paid employee shall be determined by dividing the employee's
3 regular bi-weekly rate of pay by the average number of regularly scheduled hours of work in a
4 bi-weekly pay period. In addition to the actual hours worked, only paid vacation, compensatory
5 time, jury leave, and holidays shall count as hours worked for the purpose of determining
6 eligibility for overtime compensation.
7

8 Any employee in a class which has been allocated to Overtime Code 3 (non-exempt) in
9 this ordinance shall be compensated for overtime work in accordance with the provisions of this
10 section. Each appointing authority shall designate and submit to the Director of Personnel the
11 official work week and schedule or work cycle for all non-exempt positions in the work unit.
12 The average number of scheduled hours in a bi-weekly pay period shall not be less than eighty
13 (80) for full-time employment.
14

15 Whenever an Overtime Code 3 employee whose pay matrix is in Section 2(a) or 2(b),
16 works hours in excess of the maximum established for an official work week or work cycle,
17 usually forty (40) hours in a work week such hours shall be paid at the one-and-one-half time
18 (1.5x) rate. In addition to the actual hours worked, only paid vacation, compensatory time, jury
19 leave, and holidays shall count as hours worked for the purpose of determining eligibility for
20 overtime compensation.
21

22 Overtime Code 3 employees whose pay matrix is in Section 2(c) of this ordinance who
23 are working a nineteen (19) day work cycle are eligible to receive overtime after one hundred
24 forty-four (144) hours are worked in a work cycle, except that the Fire Division shall pay
25 overtime for emergency work at the end of a shift or emergency work required on a separate,
26 non-scheduled day, even if the total number of hours worked in the work cycle is not in excess of
27 one hundred forty-four (144) hours. These employees shall not receive additional compensation
28 for regularly scheduled hours in excess of one hundred forty-four (144) hours if they do not
29 actually work more than one hundred forty-four (144) hours in the work cycle; provided
30 however, that in addition to the actual hours worked, jury leave, vacation leave, compensatory
31 time and "O" days shall count as hours worked for the purpose of determining eligibility for
32 overtime compensation. Days scheduled off to reduce average work week to fifty-two (52)
33 hours, compensatory time, vacation, "O" days, and holiday time shall be scheduled consistent
34 with a reasonable vacation and holiday leave policy to avoid the necessity of actually working
35 more than one hundred forty-four (144) hours during any work cycle.
36

37 Police Officer Trainees, Police Probationary Officers and Police Officers – whose pay is
38 established in Section 2(d) of this ordinance shall be paid overtime, defined as one and one-half
39 times (1.5x) the employee's regular standard rate of pay, for all hours worked in excess of their
40 eight (8) hour work day or any hours worked on a scheduled day off. Only hours actually
41 worked shall count toward overtime pay.
42

43 Police Sergeants – whose salary is established in Section 2(d) of this ordinance shall be
44 paid overtime, as defined as one and one-half times (1.5x) the employee's regular standard rate
45 of pay, for all hours actually worked in excess of one hundred seventy-one (171) hours in a
46 twenty eight (28) day work period.
47

1 **(b)** Any employee in a class which has been allocated to Overtime Code 2 in Section 1(a) of
2 this ordinance shall be compensated for overtime by granting the employee pay or compensatory
3 time off at the straight (1.0x) time rate. Each appointing authority shall designate and submit to
4 the Director of Personnel the official work week or work cycle, which is usually forty (40) hours,
5 for all exempt (Code 2) positions in the work unit. Whenever a full-time employee in an exempt
6 (Code 2) position is directed by management, with the approval of the appointing authority, to
7 work hours in excess of the maximum established for an official work week or work cycle it
8 shall be considered overtime. In addition to the actual hours worked, only paid vacation time,
9 compensatory time, jury leave, and holidays shall count as hours worked for the purpose of
10 determining eligibility for overtime compensation. Straight time (1.0x) overtime shall be
11 compensated at the employee's regular hourly rate of pay, or by granting the eligible employee
12 compensatory time off at the rate of one (1) hour for each hour of overtime worked. The average
13 number of scheduled hours in a bi-weekly pay period shall not be less than eighty (80) for full-
14 time employment. The regular hourly rate of pay for an exempt (Code 2) bi-weekly paid
15 employee shall be determined by dividing the employee's regular bi-weekly rate of pay by the
16 average number of regularly scheduled hours of work in a bi-weekly pay period.

17
18 **(c)** Part-time bi-weekly paid employees and employees paid on an hourly or per performance
19 basis shall be compensated for overtime work in accordance with the overtime provisions of this
20 section and with consideration for community practices in compensating similar employment.

21
22 **(d)** An appointing authority may compensate Overtime Code 1 employees at the straight-
23 time (1.0x) rate, when both of the following conditions exist: 1) the Mayor of the City of St.
24 Louis declares an emergency due to serious and protracted conditions which threaten continuous
25 City Service, preservation of public peace, health, or safety, and 2) the appointing authority
26 directs an employee or group of employees to work in excess of forty (40) hours per week. The
27 appointing authority shall maintain attendance records of the assignment(s) and submit such
28 records at the request of the Director of Personnel.

29
30 **(e)** Employees who wish to use compensatory time earned in lieu of pay must make their
31 request in writing at least twenty-four (24) hours in advance of the day or days requested. The
32 appointing authority shall keep in mind the staffing needs of the department when granting time
33 off, but in any case time off will not be unreasonably denied.

34
35 Pay shall be the regular method of compensation for recorded overtime hours of work for
36 employees in classes with Overtime Code 3 and Overtime Code 4. However, an appointing
37 authority shall compensate a non-exempt bi-weekly paid employee for overtime work by
38 granting the employee compensatory time off in lieu of pay only if the employee requests
39 compensatory time, in writing.

40
41 Employees engaged in public safety, emergency response or seasonal activity as defined
42 by the Director of Personnel may have a maximum balance of two hundred forty (240) hours of
43 compensatory time; except that Police Officer Trainees, Police Probationary Officers, Police
44 Officers, and Police Sergeants shall only be allowed to accumulate up to forty (40) hours of
45 compensatory time. All other employees are allowed a maximum balance of one hundred twenty
46 (120) hours of compensatory time excluding compensatory time earned for working on a
47 holiday. These maximum balances of compensatory time shall apply to employees working an
48 average work week of forty (40) hours; the maximum balance of compensatory time for

employees whose average work week is more or less than forty (40) hours shall be proportionate. No provision of this section establishing a maximum balance of compensatory time shall serve to cancel any compensatory time due to an employee or to deny an employee payment for recorded compensatory time earned in accordance with the provisions of the compensation ordinance in effect at the time the compensatory time was earned.

Each appointing authority shall establish procedures to assure that non-exempt employees are promptly granted time off when such employees request to use their earned compensatory time. Appointing authorities may not deny non-exempt employees' requests for earned compensatory time off except when such approval would create an extreme business hardship. For employees occupying the position of Police Officer Trainee, Probationary Police Officer, and Police Officer compensatory time may be used at such times and in such blocks as are mutually agreed upon between the supervisor and the employee and it shall not be unreasonably denied by the supervisor if operating requirements will not be adversely effected. When an appointing authority determines that the work schedule of the organization will not permit the granting of such time off, the appointing authority shall pay the employee in that same pay period for all or a portion equivalent to the time requested of the employee's accrued compensatory time. This provision requiring the prompt granting of requested time off applies only to compensatory time that is earned as a result of the employee working overtime; it does not apply to compensatory time earned as a result of an incentive program or bonus award program.

Compensatory time earned by exempt employees shall be granted at the discretion of the appointing authority and upon request of the employee.

(f) Before an employee is transferred, promoted or demoted from a position under one appointing authority to a position under another appointing authority or to another unit with a different appropriation, all compensatory time shall be granted or paid. Upon termination all compensatory time shall be paid. Upon the death of an employee, the person or persons entitled by law to receive any compensation due to the employee shall be paid any amount due to the employee on the date of death.

(g) All departments shall keep daily attendance records of classified employees and shall submit periodic reports of: 1) unexcused absences and leaves; 2) overtime earned, granted, and paid; or 3) the non-occurrence of same to the Director of Personnel in the form and on the dates specified.

18 **(n)** Employees who return to work from a "reemployment from layoff" eligible list shall be
19 eligible to use vacation as soon as it is accrued, unless stated otherwise in this ordinance,
20 provided the employee has completed six (6) months of continuous service prior to the layoff

6 of the excepted position and appointment to the permanent competitive position. The date of
7 appointment to the permanent competitive position shall be used to determine the appropriate

42 competitive position he/she occupied at the time the leave was granted provided the position is
43 still in existence and he/she is able to perform the duties of the position. The employee shall be
44 reinstated to the competitive position at the same relative rate in the salary range the employee
45 occupied at the time the leave was initiated. Failure of an employee to report for duty promptly
46 at the expiration of the leave shall be just cause for dismissal. If necessary to the efficient
47 conduct of the business of the City, an employee on leave other than military leave or qualifying
48 family/medical leave may be notified by the appointing authority, with the approval of the

1 Director of Personnel, to return prior to the expiration of such leave. Failure of the employee to
2 return within ten (10) calendar days after receipt of such notice shall terminate his/her leave of
3 absence and be just cause for dismissal, subject to any applicable federal, state or local
4 regulations.

5
6 **(b)** The City of St. Louis will follow all applicable state and federal laws on the granting of
7 family/medical leave.
8

9 The Director of Personnel shall establish additional rules, guidelines and procedures for
10 the effective administration of the City's "Family/Medical Leave Policy." The policy shall
11 comply with all provisions of the "Family/Medical Leave Act of 1993" and any amendments
12 thereafter.
13

14 Employees must take all of their accrued time (sick leave, medical leave, vacation leave)
15 prior to being placed on leave without pay status for approved Family and Medical Leave, except
16 employees can keep one (1) week of vacation hours (if they have accrued one (1) week of
17 vacation and are eligible to take them). Employees will be allowed to use all their compensatory
18 time, if requested by employee.
19

20 **(c)** Any employee in a competitive position who is appointed to an excepted position in the
21 Classified Service shall be granted an in-service leave without pay from the competitive position
22 during the term to which he/she is appointed to the excepted position. Such leave shall be for the
23 term of the appointment to the excepted position and until his/her successor qualifies. Upon the
24 expiration of the appointment to the excepted position, the employee shall be reinstated to the
25 competitive position he/she occupied immediately prior to the in-service leave. The employee
26 shall be reinstated to the competitive position as under a temporary promotion pursuant to
27 Section 6(a)(2) of this ordinance. Employees who are returned to a competitive position shall
28 retain any vacation, compensatory time, sick leave, or medical leave balance in effect at the time
29 of granting of the leave of absence for appointment to the excepted position. Employees shall be
30 given credit for time spent in an excepted appointment in computing eligibility for additional
31 vacation leave accrual.
32

33 **(d)** In the event that emergency conditions occur which require the closing of City-operated
34 facilities or the temporary cessation of functions carried out by classified employees, the Mayor
35 of the City of St. Louis may declare an emergency and require an employee or group of
36 employees to take leaves of absence with or without pay while such emergency conditions exist.
37 In the event that the Mayor requires that the leave of absence be without pay, an employee with
38 vacation or accrued compensatory time may elect to take the accrued time off with pay in lieu of
39 all or a part of such non-paid leave of absence. Such non-paid leave of absence shall not
40 interrupt continuity of service for vacation accrual. An emergency leave of absence declared by
41 the Mayor shall not exceed ninety (90) days.
42

43 **(e)** Employees who are granted general leaves of absence and other non-paid leaves of
44 absence, except military leave, must take all accrued vacation at the start of the leave of absence.
45 Employees who are granted or placed on a non-paid leave of absence will not accrue vacation,
46 sick leave, and medical leave during the period of non-paid leave. Upon the expiration of such
47 leaves of absence, the employee shall follow the procedures as established in this Section 22 and
48 any other applicable regulations and procedures as established by the Director of Personnel.

1
2 (f) An appointing authority, with the prior approval of the Director of Personnel, may put an
3 employee on a forced leave of absence with or without pay pending the outcome of an
4 investigation or of a pending disciplinary action against the employee. Employees being placed
5 on forced leave may elect to be placed on either vacation leave or compensatory time.
6

7 (g) In the event that a fiscal crisis occurs in the City of St. Louis, employees may request
8 voluntary furloughs. The Director of Personnel may issue regulations to govern the furlough
9 program.
10

11 **SECTION 23.**

15 otherwise plans for life, health, medical, disability, and other insurance coverage deemed
16 necessary for employees in the Classified Service and other employees for the City and their
17 dependents. The Director of Personnel shall develop and administer programs to provide for
18 such coverage. The Director of Personnel shall confer with the Board of Estimate and
19 Apportionment by February 1st of each year regarding coverage plans and the appropriate
20 funding level. The Director shall then be charged with the responsibility of establishing the
21 applicable funding level and remittance rates for the aforementioned plans and certify same to
22 the Comptroller and Budget Director by March 1st of each year. The Director of Personnel may
23 amend said rates as needed.
24

25 **SECTION 24.**

26 **DEATH BENEFIT**

27

28 In the event any employee of the City whose pay is established by this ordinance dies as a
29 result of injuries arising out of and in the course of his/her employment by the City, the City
30 shall pay compensation in accordance with the Missouri Workers' Compensation Law. The
31 Director of Personnel and the City Counselor shall establish procedures for making the payments
32 required by the Missouri Workers' Compensation Law. The Comptroller shall designate the fund
33 or appropriation out of which such payment shall be made. Such compensation shall be in
34 addition to any life insurance benefits paid for by the City or by the employee which is available
35 to the employee's beneficiaries and also in addition to any benefit provided by the Employees
36 Retirement System of the City of St. Louis, the Firemen's Retirement System of the City of St.
37 Louis, or the Firefighters Retirement Plan.
38

39 **SECTION 25.**

40 **WORKERS' COMPENSATION AND DISABILITY LEAVE**

41

42 (a) Any employee in the Classified Service whose class title and grade are established in
43 Section 1(a) and denoted by the suffix "G," "P," "M," "T" or "E" of this ordinance, including
44 employees who are compensated on a per performance or unit of work basis, who shall suffer
45 personal injury by accident or occupational disease arising out of and in the regular course of
46 employment while engaged in or about the premises where an employee's duties are being
47 performed or where an employee's presence is required as part of his/her employment, shall
48 promptly report such injury by accident or occupational disease to his/her immediate supervisor.

1 The supervisor shall in turn report, through the appointing authority, all facts concerning the
2 incident to the City Counselor and the Director of Personnel. The appointing authority shall
3 promptly provide such written information and recommendations as may be requested by the
4 City Counselor to aid in making the determination of the period of disability.

5
6 The employee who suffers a personal injury as described in part (a) of this section, and
7 which results in temporary disability, may elect to use sick or medical leave for the first three (3)
8 days of temporary disability. Thereafter, the employee will be compensated at the rate mandated
9 by the Missouri Workers' Compensation Law. If the period of disability extends fourteen (14)
10 calendar days or more, the three (3) days of sick or medical leave used during the first three (3)
11 days of disability will be restored to the employee's sick or medical leave balance. The City
12 Counselor shall determine the actual amount of compensation and length of time during which
13 payments are made for such temporary disability in accordance with the Missouri Workers'
14 Compensation Law.

15
16 **(b)** (1) Any employee in the competitive service whose class title and grade are
17 established in Section 1(a) of this ordinance and denoted by the suffix "F" who shall suffer

21 promptly report such injury to his/her immediate supervisor. The injury shall be promptly
22 reported through appropriate management personnel to the Director of Personnel and the City
23 Counselor. During the period of temporary disability which has been determined by the City
24 Counselor to be a result of an injury by accident or occupational disease as defined above, the
25 employee may be continued on the payroll at the regular bi-weekly rate less any amount the
26 employee would otherwise pay in taxes on that portion of the benefit found to be exempt from
27 taxation under the Missouri Workers' Compensation Law, or the federal tax code. Disability
28 leave may also be granted when an employee suffers injury as a result of participation in
29 Training Simulation of an exceptional and highly dangerous nature wherein the appointing
30 authority or the Director of the Department of Public Safety has gained the approval of the
31 Director of Personnel prior to such Training Simulation.

32
33 (2) Any employee in the competitive service whose class title and grade are
34 established in Section 1(a) of this ordinance and denoted by the suffix "F" who shall suffer

37 except as otherwise provided in Section 25(b)(1) above shall likewise, promptly report such
38 injury to his/her immediate supervisor, who shall report, through his/her appointing authority, all
39 facts concerning the incident to the City Counselor and the Director of Personnel. During any
40 such period of temporary disability, the employee shall be entitled to workers' compensation
41 benefits as prescribed by State Law.

42
43 (3) Employees in the competitive service whose pay is established in Section 2(d) of
44 this ordinance who suffer personal injury by accident or occupational disease arising out of and
45 in the regular course of employment shall receive compensation in accordance with Police
46 Division policies. Employees in the competitive service whose pay is established in Section 2(a)
47 or 2(b) of this ordinance and who were employed by the Board of Police Commissioners and
48 who remain employed by the Police Division who suffer personal injury by accident or

1 occupational disease arising out of and in the regular course of employment shall receive
2 compensation in accordance with Police Division policies.

3
4 (c) The City Counselor, the Director of Personnel, or the appointing authority may require an
5 employee to undergo a physical examination and medical or surgical treatment at the expense of
6 the City to diagnose and treat injuries or illnesses arising out of employment.

7
8 (d) The City Counselor and the Comptroller shall establish procedures for paying
9 compensation to employees or former employees who are permanently disabled and due
10 compensation under the Missouri Workers' Compensation Law. The Comptroller shall designate
11 the fund or appropriation out of which such payment shall be made.

12
13 (e) The City Counselor and the Director of Personnel shall be responsible for the
14 administration of the provisions of this Section and shall establish and publish procedural
15 regulations for the administration of the program. Each appointing authority shall establish
16 procedures to comply with the provisions of this section and established regulations.

17
18 **SECTION 26.**
19 **JURY AND WITNESS LEAVE**
20

21 (a) Jury leave with pay shall be granted to bi-weekly rate employees working fifty percent
22 (50%) time or more for such time when such employees are serving as jurors pursuant to order of
23 the St. Louis Circuit Court or United States District Court in St. Louis. Any bi-weekly rate
24 employee, when so summoned for jury service, shall report such fact within seventy-two (72)
25 hours to his/her appointing authority and display to the appointing authority the summons which
26 the employee has received and shall give the appointing authority in writing the date and the time
27 of such jury service. No bi-weekly rate employee shall receive any compensation from the Jury
28 Commissioner or the United States District Court system for jury service for days the employee
29 receives compensation from the City. A bi-weekly rate employee may keep the jury stipend for
30 days when the employee receives no compensation from the City (off days, docks, leaves, etc.).
31 Upon being discharged from serving as a juror by the Court or Jury Commissioner, the employee
32 shall forthwith report to his/her appointing authority if discharged during their normally
33 scheduled work hours and shall submit to his/her appointing authority a written statement from
34 the Jury Commissioner certifying that the employee has served as a juror and the time and date
35 so served. The appointing authority shall, upon receipt of the statement of jury service, credit the
36 employee with paid jury leave for such service.

37
38 (b) Leave with pay shall be granted to bi-weekly rate employees for such time when the
39 employee's presence is required by the prosecutor in a criminal proceeding or grand jury
40 procedure, a trial in prosecuting accused criminals (or for jury service in Federal Court). Any bi-
41 weekly rate employee, when so subpoenaed as a prosecution witness or whose presence is

46 An appointing authority may require an employee to furnish satisfactory evidence of being
47 required to be off the job and that all time off was in connection with the prosecution of the case.

1 This procedure shall apply for employee participation in criminal prosecution in State or Federal
2 Courts.

3
4 **SECTION 27.**
5 **DEFERRED COMPENSATION**
6

7 (a) Authority is hereby granted for the establishment of a deferred compensation plan for the
8 City of St. Louis.

9
10 (b) In accordance with the regulations applicable to the plan, as set out herein, the
11 Comptroller is authorized to enter into an agreement with eligible participants, whereby said
12 participants may designate a portion of their future earnings to be deducted by the City and
13 placed in a fund to be designated "City of St. Louis Deferred Compensation Plan Fund" for the
14 purpose of providing tax deferred benefits to the participants upon retirement.

15
16 (c) The Board of Estimate and Apportionment is hereby authorized to establish or select a
17 specific plan or plans in accordance with the requirements set out in this ordinance. In
18 establishing the plan, the Board of Estimate and Apportionment may elect to retain outside
19 parties to provide administrative and/or investment services after following competitive bidding
20 procedures. The Board of Estimate and Apportionment is authorized, after analyzing the various
21 competitive bids submitted in accordance with the requirements of this ordinance, to select the

30 Board of Estimate and Apportionment of the City of St. Louis may amend the deferred
31 compensation plan accordingly and may execute any and all documents necessary to achieve and
